Fall Stewardship—Commitment Sunday

November 13

Live Simply

TAKE HOLD OF THE LIFE THAT REALLY IS LIFE

1 Timothy 6:18-19

Our annual Stewardship Campaign is entitled **Live Simply**. Live Simply is based on Philippians 4:11 and is focused on 1 Timothy 6:18-19 and the phrase "take hold of the life that really is life." "They are to do good, to be rich in good works, generous, and ready to share, thus storing up for themselves the treasure of a good foundation for the future, so that they may take hold of the life that really is life." "Live Simply" also focuses on Philippians 4:11: "Not that I am referring to being in need, for I have learned to be content with whatever I have."

Join us Sunday, November 13 as we prayerfully make our commitment for 2017. Following service, we will have a catered **Celebration Luncheon** in the multipurpose room. We will welcome the **Murat Chanters** as our musical guests! We will also be celebrating **Roy Levin's 90th birthday!**

Those wishing to pledge online, the form will be available on our web site www.christpresby.org under the member area.

PW Makes an Impact at Angel Connection

The Presbyterian Women would like to thank Bill Schofield and the congregation and their giving hearts for donating jackets and sweatshirts to our Angel Connection project this October. We were able to contribute:

- 5 adult fleece jackets
- 1 adult waterproof jacket
- 4 adult hooded sweatshirts
- 3 adult pullover sweatshirts
- 2 children's hooded sweatshirts
- 15 children's coats

These were all new items and were much appreciated. PW will be donating hats, gloves, and scarves in December.

Hanging of the Greens November 20th!

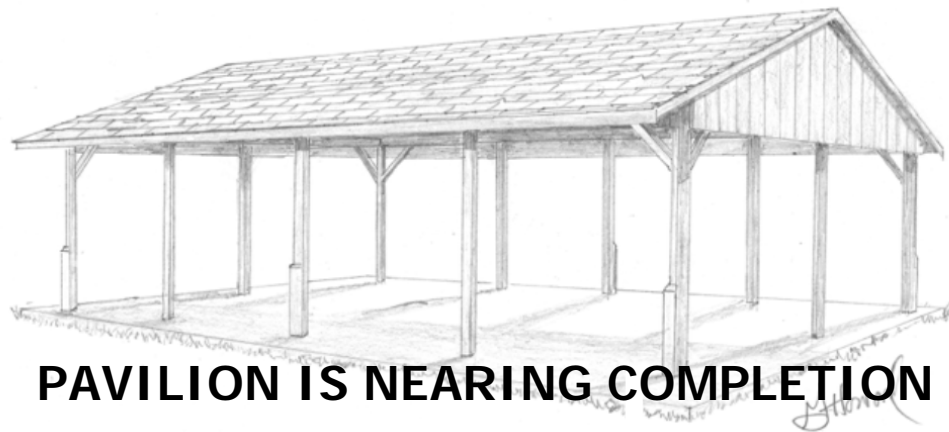

A quick lunch will be provided by the PW to give everyone extra energy for the tasks at hand. Please let Jamie and Sarah Strebing know if you're able to help!

PAVILION IS NEARING COMPLETION

Those sounds you hear are the framing crew of Mattingly General Contractors setting 6 x 6 posts, building the structure and roof, then moving on to setting the forms for the concrete pad and sidewalk connecting the Pavilion to the existing sidewalk. As you know Steve Karch and Shirley Cook provided the excavation and site preparation for the Pavilion on October 1 once we got our permit applications approved. The Pavilion Task Force received confirmation today from Mattingly contractors that construction will start November 1.

Interested in watching the progress? Weather permitting, work will start tomorrow and continue until the project is complete. Bring your camera or camera phones and send your photos to office@christpresby.org to help document the project.

Stay tuned for more information during construction. *Editor's note: As of the publication of this newsletter, the roof is on and electricity has been run. All that is left is concrete and gutters.*
