CPC is in need of volunteers for Liturgist, purchasing the sanctuary flowers to honor, remember or show appreciation for someone or set up, serve and clean up coffee fellowship after service.

## Greetings from Arizona!

I am now almost completing my second full month of retirement living in my new home in Arizona. It has been quite an adventure. Transporting household goods and auto from Indiana to Arizona with a couple of 'Frauds' vendors along the way. Trips, ordering supplies and furniture, food, etc for the home. And, Chase leaving for University leaves the home a bit quiet and missing all my children.

Chase is doing well adjusting to the Prescott 5200 feet above sea level breathing. He will be doing lots of Physical Training with the Air Force ROTC program. I am so proud of him.

Carrie did return to Indiana but has hopes of living with me within the next year or so. Keep your fingers crossed as she is very unhappy in Indiana.

As for me, I am well and trying to find a new Church home. It is very difficult as I have check out, via Internet, all of the Presbyterian Churches and others available within 50 miles of my home. I haven't found one that will make me happy and fulfilled. I will continue to look. I have listened to many of the on-line services offered via the Churches near. I am not getting the heart felt feelings that I have, previously, with my Indiana Home Church - Christ Presbyterian Church. Hint here: have you looked into the possibility of on-line recording or real time Sunday services for shut-ins or like me - 'In-need' members? I would be happy to contribute to its creation. And, once sermons are presented they can be saved or archived for future references and historical Church needs.

Anyway, I was saddened to hear of the loss of our Church Friend Clint Venable. My family and I were heart broken to hear of his passing. Clint would, always, take the time to greet, smile and talk to all of the Bilyous. And, not to mention his contributions to any of the Bilyou children activities. The Bilyous as well as our Church Family will miss a devoted friend.

Please keep the Bilyou Family in your prayers as we all continue onward with our lives. We are all happy and healthy. I am living the retirement life that I always wanted and feel blessed.

I hope that you are all in happy and healthy spirits with life and Our Father. I hope that you continue to hear from Anna Fulmer and she is doing well at her new ventures. I have already received a letter, to my new home, from my friends. I thank you, all. Please keep in touch as will I. I watch the CPC Site for upcoming events and information.

My address is the same:

God Bless You All - and have a happy and wonderful life.

## Would you like to help with the Audio / Video during church service?

Several of our "tech team" will be or have left for college. If you would like to help operate the sound board, or the slides used during worship service, please contact Bill

Schofield (908-2556 or wsas@aol.com) and he will be happy to show you how the system works.

Have you visited the website recently? It changes every Thursday! If you want to update your personal information, see the bulletin for the service, or check the calendar for the month, you can do it all on the web site.

## Deacons Launch New Plan For Hunger Sunday (Month)

**Shopping Cart:** Doctor, no one pays attention to me any more. I feel so "empty".

**Doctor:** You need to reach out to others. Tell them what you need.

**Shopping Cart:** It's not what I need, it's what all the hungry families need.

**Doctor:** Then, tell people how good it feels to give to needy families, and tell them how to help.

(The next Sunday, Mr. Shopping Cart rolls to the front of CPC.)

**Shopping Cart:** There are a lot of people who need your help. School has started and they need **peanut butter and jelly. Fill me up with jars of peanut butter and jelly, and your hearts will be full with God's love.**

**Moral of the story:** Bring jars of peanut butter and jelly during **September** and have a full heart while others get a full belly.

**Nancy Howard**

## KUDOS

Many times folks are working behind the scenes to help make things go smoothly here at CPC. They often go unnoticed — this column will send “Kudos” to these people. If you know of someone that deserves a kudos — send that persons name to office@christpresby.org

**Bill & Arlene Wheeler** who made arrangements with their lawn service to come over and clean up the area around the swings on the north end of the church. It looks soooooooooooooooooooooo much better now!

**Beth King**, who not only keeps your financial statements current, is the one who usually is purchasing and replenishing the drinks in the refrigerator.

**Shirley Cook**, who ensures that everyone is being kept up to date with the activities, needs and prayer requests of the congregation through emails.

### An Inspirational Thought

The following was submitted by a CPC member. With all the turmoil around us, this might give us a reminder to stop, think and be grateful.

#### If I Knew...

If I knew it would be the last time that I'd see your smile as you greet the day, I would be sure to stop and return the smile and pray the Lord, your soul to keep.

If I knew it would be the last time I'd hear your voice lifted up in praise, I would video tape each action and word, so I could play them back day after day.

But surely there's always a tomorrow to make up for an oversight, and we always get a second chance to make everything right.

There will always be another day to say our “I love you's”, and certainly there's another chance to say our “Anything I can do?”

But just in case I might be wrong and today is all I get, I'd like to say how much I love you and I hope we don't forget.

Tomorrow is not promised to anyone, young or old alike, and today may be the last chance you get to hold your loved one tight.

So, hold your loved ones close today, whisper in their ear. Tell them how much you love them and thank God for His love and theirs.

Take time to say “I'm sorry, please forgive me”, “thank you” or “it's okay”. And if tomorrow never comes, you'll have no regrets about today.
